[Urvashi is frequently mentioned in the Rīgveda; at her sight the seed of Mitra and Varuna fell down, from which arose Agastya and Vasishtha; (see Agastya). Being cursed by Mitra and Varuna she came down to the world of mortals, and became the wife of Pururavas, whom she chanced to see while descending, and who made a very favourable impression upon her mind. She lived with him for some time, and went up to heaven at the expiration of her curse. Pururavas was sorely grieved at her loss, but succeeded in securing her company once more. She bore him a son named Ayus, and then left him for ever. The account given in the Vikramorvasiyam differs in many respects, where Indra is represented to have favoured Pururavas with her lifelong company though he had himself cursed her. Mythologically she is said to have sprung from the thigh of the sage Narayana, q. v. j. -2 Wish, ardent desire. -Comp. -तीर्थ N. of a sacred place referred to in Bhārata. -रमणः, -सहायः, -वत्सलः N. of Pururavas.
